## CATALOGUE

[allegroec.com](http://allegroec.com)

A woman with long dark hair, wearing a white knitted sweater, is shown in profile from the waist up, holding a large, dense bouquet of vibrant red roses. She is smiling slightly and looking towards the flowers. The background is a lush garden with green foliage and a string of pink flowers hanging from above. On the left side of the image, the head and neck of a dark horse are visible, partially obscured by a semi-transparent pink text box.

Allegro Farms is a producer of premium Ecuadorian roses, exclusive varieties of garden roses, as well as a strategic partner in the production of fashionable colored gypsophila.

- We combine thorough market analysis, modern technology from Sagat Farm and serious quality control from High control.
- We offer you current varieties of elite resistant roses (size 50 to 100 cm) with rich color, large buds and beautiful opening.
- The advantage: we work on a standing order basis (SO). We guarantee fixed prices for the whole year (including March 8) without any rises and other surprises which are quite frequent in flower business.
- We provide customer support 24/7.
