Luxury Ecuadorian Roses

www.rdc.ec

Rosas del Corazón is a well-known producer of premium Ecuadorian roses with 12 years on the flower market.

We offer you current varieties of elite resistant roses with rich color, large buds and beautiful opening.

We study the market, plant only what is fashionable and in demand, use agro-optimization technologies from SAGAT FARM, conduct a thorough quality control from High control.

Advantage:

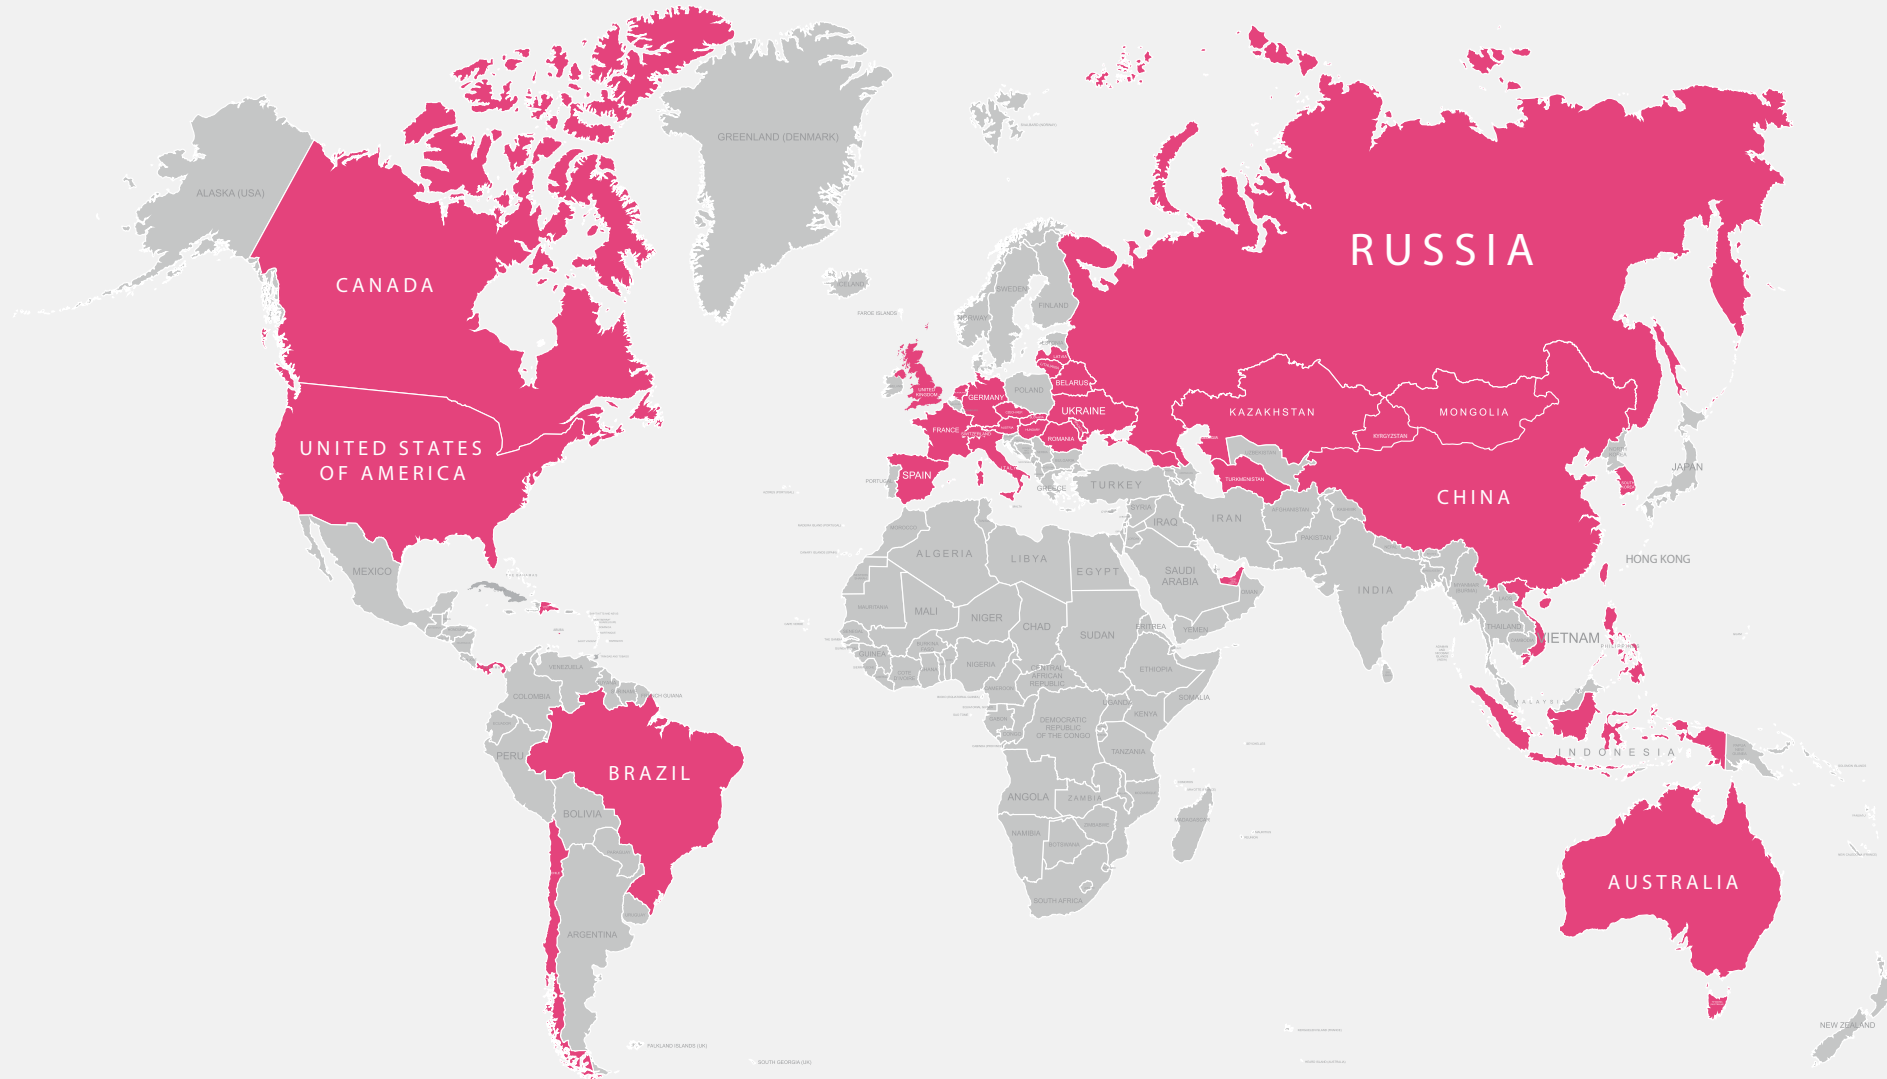

You get freshly cut flowers of guaranteed high quality directly from the plantation.

We assist you in organizing the transport.

We offer multi-lingual customer service 24/7.

We send flowers all over the world.
